

# Our own Baked & Glazed Hams

Our Hams come from Happy Scottish Pigs and are all cooked individually with love, care and attention.

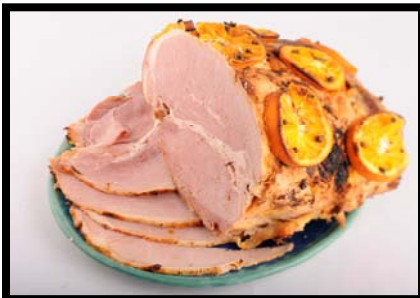

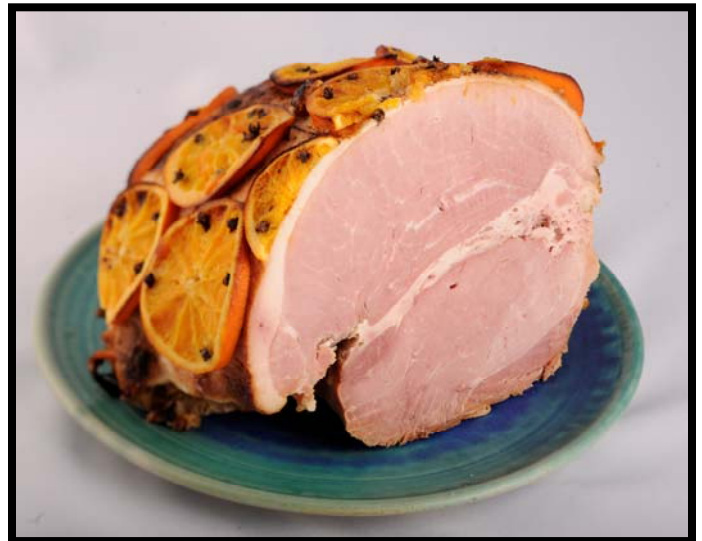

We glaze them with our special Christmas Glaze that contains Red Currant Jelly, Mustard, Honey, Orange and Cloves. The Hams are then decorated with slices of oranges and studded with cloves.

Why not order one as a centre piece for a party, or a family meal. Alternately why not give one as a present.

All Hams come vacuum packed with a 2 week shelf life from date of collection or sending.

We are happy to sell them as a whole, half, quarter or sliced. All Hams are boned and rolled.

Hams can be collected from any of the 3 shops or sent on a next day courier delivery. We will send out the last deliveries before Christmas on the 21<sup>st</sup> December to arrive with customers on the 22<sup>nd</sup>. Any Hams sent out then will still be suitable for New Year if kept Vacuum Packed. All Hams are suitable for Home Freezing.

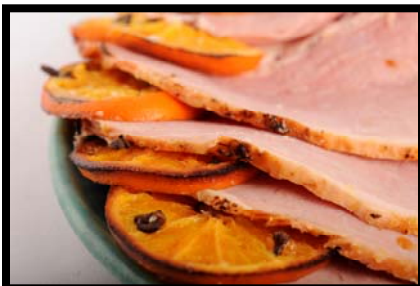

Ham Sizes: Due to the Hams all being slightly different sizes – these are approximate sizes and prices. We will endeavour to make sure your Ham is as close to the size you order. You will not be charged for your Ham until the Day it leaves us.
